Onboarding Guide

## Welcome to Ganjier

We are so excited to welcome you to Ganjier program. This rigorous training and certification program will provide you with a level of knowledge and skills not available through any other program. It's an intensive training program, and those who embark on it are part of a select group of individuals with a true passion for cannabis.

This guide will provide you with important information as you begin your training.

In order to make the most of the program, we invite you to immerse yourself fully in the Ganjier community and all of the opportunities that will be available to you.

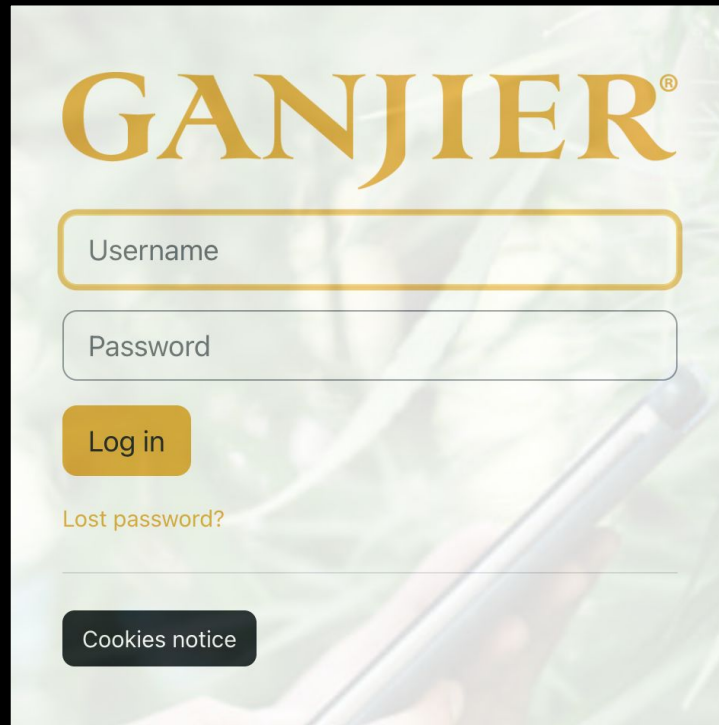

**\*BONUS:** Your enrollment into Certified Ganjier now includes access to the Ganjier Product Specialist course. You will find the GPS course on your dashboard when you login to the LMS.

Let's get started.

# Login Guides

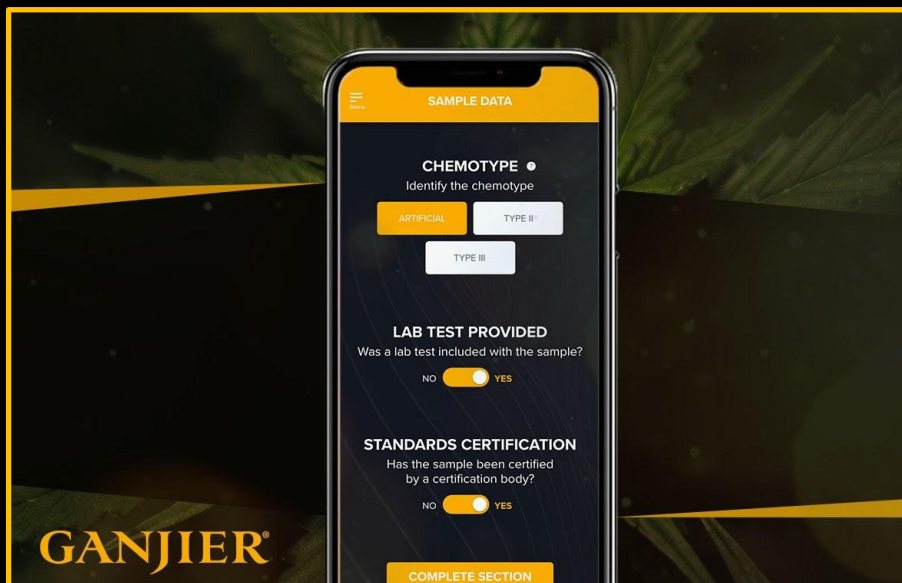

These guides will provide you with information you need to access the online curriculum and the Systematic Assessment Protocol™ (SAP) app for assessing cannabis.

[Click Here to Download Online Curriculum Login Guide](#)

The screenshot shows the GANJIER login interface. At the top, the word "GANJIER" is displayed in a large, gold, serif font. Below the logo are two input fields: "Username" and "Password". A gold "Log in" button is positioned below the password field. Underneath the button is a link that says "Lost password?". At the bottom of the form is a dark grey button labeled "Cookies notice". The background of the page is a blurred image of a person's hands holding a cannabis plant.

[Click Here to Download SAP APP Login Guide](#)

The screenshot shows the SAP APP login screen on a smartphone. The screen is titled "SAMPLE DATA" and features a "CHEMOTYPE" section with the instruction "Identify the chemotype". There are three buttons: "ARTIFICIAL" (highlighted in gold), "TYPE II", and "TYPE III". Below this is a "LAB TEST PROVIDED" section with the question "Was a lab test included with the sample?" and a toggle switch set to "YES". The "STANDARDS CERTIFICATION" section asks "Has the sample been certified by a certification body?" with a toggle switch also set to "YES". At the bottom of the screen is a gold "COMPLETE SECTION" button. The GANJIER logo is visible in the bottom left corner of the app interface.

## Ganjour Curriculum Hours

The Ganjour program consists of three parts: the online training, the live training and the live exam. Here you will find details on the number of hours it takes to complete each part of the program.

### Online Courses

|                           |           |
|---------------------------|-----------|
| Videos (x31)              | 24        |
| Articles (x7)             | 4         |
| Exercises (x3)            | 6         |
| Knowledge Checks (x10)    | 2         |
| <b>Total Online Hours</b> | <b>36</b> |

### Live Training

|                                  |           |
|----------------------------------|-----------|
| Day 1                            | 8         |
| Day 2                            | 8         |
| <b>Total Live Training Hours</b> | <b>16</b> |

### Live Exam

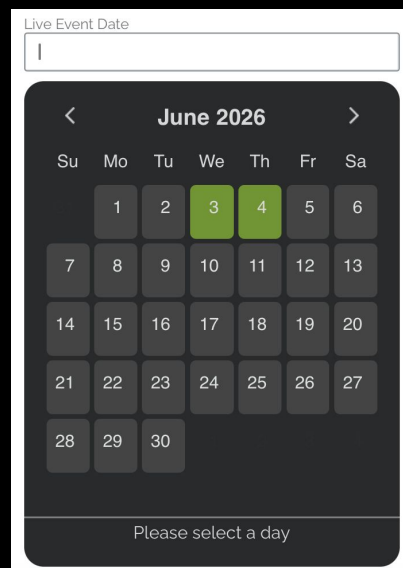

|                     |   |
|---------------------|---|
| Exam and Graduation | 8 |
|---------------------|---|

## Student Resources

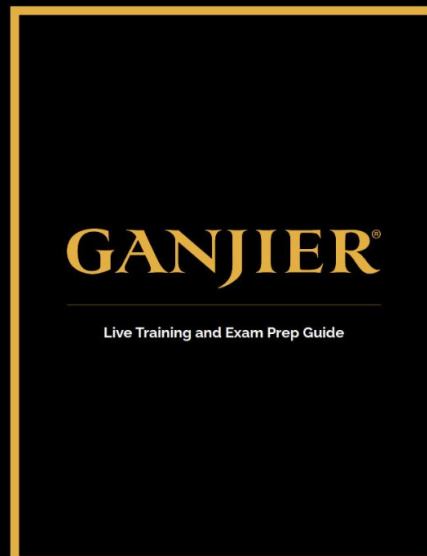

---

Be certain to visit the [Student Resources](#) page on the Ganjier website for easy access to each of the student prep guides, a link to the online curriculum login portal, and more, including:
